

Nursery & Preschool News

- We are excited to invite you to our Open House on January 26th, 7:00pm-8:00 pm. (This is in lieu of the scheduled PTP meeting on the same night.) Rather than meet in the auditorium, go to the school building of your student's next grade level. Meet the current teacher, see the curriculum, ask about the academic expectations for the coming year, visit the computer lab, etc. This is an informal, casual drop-in to catch the vision for this next school year. Put this on your calendar and plan to visit with us. We have had an exciting school year thus far and look forward to another. See you then!
- Each Tuesday, beginning February 7th, our Preschool and K5-12th grade school will host school tours for prospective parents at 10:00 am. Please invite your friends to come see the school. When a new family applies, is accepted, attends for at least one month and has listed you on their application as the referral, you will receive a one-time credit of \$100.00 applied to your account. Influence your friends to join the GBCS school family and help us grow our school.

Events coming up:

- 1/9 - 1/31 Re- Enrollment
- 1/16 NO SCHOOL (MLK HOLIDAY)
- 1/19 Stevi B's night

- We are enrolling students in our after school program for Tap & Ballet. If you are interested, contact Mrs. Covington @ [678-384-6946](tel:678-384-6946). Remember, these are not just for our students we are open to the public as well.

Thank you to all our parents and grand parents that volunteer to help us during lunch and we want to thank Mrs. Gilber & Mrs. Drayton for their help during the Christmas shop and all the other parents that offered to volunteer to help. We greatly appreciate it.

Have a very safe and blessed long weekend!!!!

In His Service,
Mrs. Bates
