Electronic Check Conversion Authorization

Grace Baptist Christian School has implemented a check conversion service with the following guidelines:

- Only personal, business checks, money orders, and cashier checks written against a U.S. bank account can be converted. No counter checks will be accepted for conversion.
- The paper check MICR line will be captured with a scanner/reader.
- The consumer must be notified that their paper checks will be used to make an electronic conversion. Notification can take the form of a sign posted or a written notice that the consumer is asked to sign.
- The check will be stamped "VOID" after conversion and can be picked up in the Financial Office during normal business hours. If not picked up within three business days, the check will be destroyed.

I authorize Grace Baptist Christian School to initiate an electronic debit against my bank account whenever I send a check for payment of services. The amount of the debit and bank account information will be used directly from the check. I acknowledge that the origination of ACH transactions from my account must comply with the provisioning of United States Law.

This payment authorization is to remain in full force and effect until I, \_\_\_\_\_, notify Grace Baptist Christian School of its cancellation by sending written notice in such time and in such manner to allow both Grace Baptist Christian School and the receiving financial institution a reasonable opportunity to act on it.
